## Visitation Policy & Procedures

**Eastside Active Living LLC** adhere to status 429.28 (1) (d), 408.823 according to AHCA visitation standards. (The **Administrator** is responsible for ensuring the policy is enforced with the help of staff).

### **Purpose:**

Assuring that residents, families and friends know their visitation rights to the facility.

### **Policy:**

- Visitation hours are from 9 AM to 9 PM.
- Visitation is now allowed for all residents while adhering to the principles of infection control and guidance from the CDC and DOH.
- Visitors will be told if or when there are outbreaks and the proper PPE to wear in order to visit.
- Visitors must sign the entry log and answer the questionnaire that follows.
- Mask is not required for visiting at this time (**it's optional**) **Only** when there are outbreaks of infection then it's required. (Mask will be given upon request)
- Visitors are not compelled to provide proof of vaccination or immunization to visit their love ones.
- Visitors can go to resident's rooms, common areas and patio. (They're no limit to the amount of visitors (common sense must be used especially those residents that has roommate)
- Physical contact or allowed between residents and visitors (must be consensual between parties)

### **Procedure:**

- Hand sanitizer (alcohol base) throughout the facility, utilized them.
- Hand washing sinks are to be utilized by residents and visitors in the common areas.
- Staff will clean the common areas frequently to prevent the spread of germs.
